1 LAB 7

1.1 MATT SMITH: A GREAT DOCTOR, OR THE GREATEST DOCTOR? BONUS: WHAT ABOUT JODIE?

Matt Smith was the greatest doctor from what I read and assume you want to hear? From what I saw about him he may be the coolest person ever with his bowtie and iconic catchphrase - geronimo! Yeah what a great doctor woohoooo! Jodie sucks. Just kidding, she was okay but the writing got so lazy. If my lame response deducts points from my lab, here is ascii art of a dragon:
